Chapter 1 by Weirdfriendlessgirl

"I'm not Mom!" Lizzy screamed hiding behind the door. "Dad you're drunk ok? Mom is dead! She's been dead for three months!"

He stumbled over to her "Shut up ok! Just shut up!" With that he slapped her.

She fell back tears forming in her eyes.

"You killed her he screamed if you hadn't of been born she wouldn't have died!" He fell to the floor "You killed her!"

Lizzy ran out of the apartment tears now streaming freely down her face. He was right. It was her fault. If her mother had never given birth to her she wouldn't have gotten sick. And if she hadn't gotten sick she wouldn't have been so weak that the flu killed her. Her dad was right....She had killed her mother.
